

Dear Sir/Madam

My name is Nicola Di Nardo I am interested in the opportunity to become the next EMSA Representative in our university. Covering this position I will ensure that:

- To be permanently informed, to represent our center and to continue to have contact with the other European Members and Representatives.
- Inform all the students about our projects.
- To increase the number of projects by EMSA as well as the opportunity to participate to the EMSA exchanges.
- To participate to the meetings on European level.
- To develop a strategy to increase the participation and presence of our university in the EMSA projects, meeting and initiatives.
- To create a small working group in our center of interested students in the field of this category.

Best regards,

Nicola Di nardo
